St. Louis County Birdathon
May 22nd, 2010

PLEDGE FORM

Pledges are based on (check one):

___ The species total of the _____ team, who expects to tally about _____ species.

___ The composite total of species seen by all teams; about 180-200 species expected.

For example, a pledge of 10¢ based on a team's species total of 120 = $12 donation; a pledge of 10¢ based on the composite total = a donation of about $19. Pledges are tax-deductible and are for the benefit of the Hawk Ridge Bird Observatory (www.hawkridge.org). After the Birdathon, sponsors will receive a checklist and summary of the day along with a statement with the amount of donation due. THANK YOU!
